

# Victtor Leite Moraes

Brazilian, 20 years

## ABOUT ME

- Student of mechatronics Engineering, passionate on data, ambitious on being a difference to this world, I aim to attain an engaging position where I can show and improve my personal and professional skills.

## CARRER HIGHLIGHTS

- **GDSolar – Intern of New Business**  
2021 – Ongoing | As an intern, I carry out feasibility studies of photovoltaic projects, financial models for evaluating profitability and attracting investors for photovoltaic projects and developing dashboards through Power BI for partner investors and customers.

## ACADEMIC EDUCATION

### Mackenzie Presbyterian University

- 2019 – 2023 | Mechatronics Engineering

### Saranac Lake High School

- 2017 – 2018 | Exchange Program – High School

## AREAS OF EXPERTISE

- Excel, Power BI, SQL, Python, C++, C, Java, Inventor, AutoCad, Word, PowerPoint

## CERTIFICATES

- Professional Data Analyst – Issued in 2022 by DataCamp ([Click here to see it](#))
- Professional Data Scientist – Issued in 2022 by DataCamp ([Click here to see it](#))

## COURSES

- 38 DataCamp courses focused on data analysis, data science, data engineer and machine learning

## EDUCATION HIGHLIGHTS

### Mackenzie Presbyterian University - Engineering School

- 2021 - Ongoing | Scientific project in fabrication and characterization of a terahertz filter for application in radio astronomy.
- 2019 - 2021 | Manager on University's extension Project on electric vehicle, which has the objective of research and design an electric vehicle which is developed to have the highest efficiency therefore be more economic as possible. As manager, I have the role of delegate tasks and stipulate projects that can improve vehicle's performance.
- 2019-2020 | Monitor in Physics I and II at Mackenzie Presbyterian University.
- 2019-2020 | Member on University's extension project on engine rockets, responsible for research on stability and machining parts.
- 2019 | Class Representative

## LANGUAGES

- English – Speaking, Reading, Writing – Advanced –TOEFL Certified
- Spanish – Speaking, Reading, Writing – Beginner
- Portuguese – Speaking, Reading, Writing – Native
